

PARENT HELPER INFORMATION

When you come to a session to help out, please be aware of the FIRE DRILL PROCEDURE, and whilst you are with us maybe you would like to assist the staff by: -

- Playing with the children.
- Preparing drinks for the staff and yourself (a list can be found in the kitchen). All hot drinks must be consumed in the kitchen.
- Mop up any spillages throughout the session.
- Wash up snack cups etc... clean paint pot lids and generally tidy up at the end of the session.
- If you have any creative talent you would like to share with us, please feel free to approach a member of staff for a chat.

Due to OFSTED regulations, we do not require you to take the children to the toilet; a member of staff will undertake this task, as they have been police checked.

THANK YOU FOR YOUR CONTINUED SUPPORT &
WE HOPE YOU ENJOY YOUR TIME WITH US.
